9 Case No. [20-cv-02101-BLF](#) (VKD)

10 **ORDER RE DEFENDANT'S  
11 DOCUMENT REQUESTS NOS. 54 AND  
12 55**

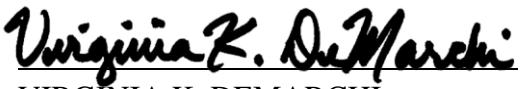

13 Re: Dkt. No. 55

14 Plaintiff Steven Prescott and defendant Reckitt Benckiser LLC ("RB") ask the Court to  
15 resolve their dispute concerning RB's Requests for Production Nos. 54 and 55 to Mr. Prescott.  
16 Dkt. No. 55. Specifically, RB seeks the production of all depositions in which Mr. Prescott was  
17 deposed as a plaintiff in a putative class action in other cases involving false advertising claims in  
18 the past 10 years, and all of his written discovery responses in such cases. *Id.* at 2. The Court held  
19 a hearing on November 10, 2020. Dkt. No. 59.

20 For the reasons stated on the record, the Court denies RB's request for this discovery at  
21 this time on the ground that RB fails to articulate any basis for its assertion that this discovery is  
22 likely to yield any information relevant to whether Mr. Prescott is an adequate class representative  
23 in this case.

24 **IT IS SO ORDERED.**
